

PHYSICIAN

Winnipeg, Manitoba

OUR OWN
HEALTH CENTRE

Our client, **Our Own Health Centre**, is seeking a **Physician** to join their healthcare team.

THE COMPANY

Our Own Health Centre (OOHC) is the expansion of the former Gay Men's Health Clinic which was started by Dr. Dick Smith. OOHC has a long history of dedicated service to the community of Gay, Bisexual, and other men who have sex with men.

OOHC also is a registered charity. They use charitable funds to pay for rent, offer free counselling to our patients who cannot afford it, and to buy the expensive test kits so that they can offer free HIV testing to people at Pride and other events.

OUR MISSION

To improve the health and wellbeing of gay, bisexual, and other men who all have sex with men (MSM) in Manitoba.

OUR VALUES

Safety

We maintain a space where patients will feel safe, comfortable, and free to openly discuss their health needs.

Respect

We respect the diversity of our patients, without ageism, racism, classism, homophobia, or any other form of shaming

Inclusiveness

Although we are a clinic for men who are gay, bisexual, or MSM, we also commit to offer our services to all who seek care from us

Compassion

We support all patients, and in particular, those who are most vulnerable

Patient-Centred Care

We individualize care to each patient's needs, with a focus on harm-reduction rather than risk-elimination

Holism

Health and wellness is maintained by more than just medical care. We use an interdisciplinary approach, with different types of care providers, to support overall wellness.

Integrity

We subscribe to the highest ethical standards when working with our patients – this includes a commitment to confidentiality for patient information

Independence

As much as possible, we operate independent of government funding

THE OPPORTUNITY

- Full-time physician in Winnipeg, Manitoba
- Warm & inviting environment for patients and staff
- Combination of physicians & medical service providers will provide a more comprehensive & collaborative approach to patient care
- Office administration is provided by OOHC, so you can focus on providing health care to patients

QUALIFICATIONS

- Must be eligible for registration & licensure with the College of Physicians & Surgeons of Manitoba
